Dear Parents & Carers.

We have received several complaints from neighbours and parents about inconsiderate parking on the pavement opposite Nursery and inappropriate behaviour towards local residents when they challenge this.

Please remember that this is not appropriate and poses a huge risk to pedestrians trying to use the pedestrian crossing.

We have a duty to report dangerous parking to the local Police in order to ensure child and community safety.

Thank you in anticipation of your support and cooperation.

David Aldworth

Acting Executive Headteacher
